

I know you will find the content of this letter hard to believe, but please set aside just a few minutes to read it thoroughly. Only then will you appreciate the full potency of this remarkable system. You will also be given the opportunity to try the "System" for yourself, on a totally **RISK-FREE 90 DAY TRIAL** basis.

This is YOUR once-in-a-lifetime RISK FREE opportunity to launch yourself into MASSIVE TAX-FREE WEALTH ... starting with LESS money than you have in your pockets RIGHT NOW!

ONLY £50 CAPITAL REQUIRED!

Dear Reader,

Have you always dreamed of earning far more money by working less? *Far less?* Well, it is possible. I did it – and many other people around the world are now extremely wealthy thanks to my unique, easy to operate, systematic and highly profitable **TAX-FREE** ‘goldmine’.

Within hours of receiving “*The MEGA WEALTH Tax-Free Cash System*”, you too will begin earning a lot of money, without risk, working from home in your spare time. *You can even do this whilst watching TV.* It really is that simple.

My System fully details an **ULTRA-POWERFUL TAX-FREE WEALTH-CREATION METHOD** that is absolutely **GUARANTEED** to multiply your money at “lightning speed”. That’s the bottom line.

You’ll also be pleased to hear that you’ll not be required to spend £5,000+ to learn this system – nor will you need to attend some boring overcrowded all day seminar, with 150 other people. Far from it. We’re talking **tried, tested and proven unlimited profits** here – not some *pie-in-the-sky* unworkable plan *or* Multi-Level scheme.

Let me cut to the chase right away:

I know that this day and age, you probably get bombarded every day with new fangled *get rich quick* schemes, invariably offered to you by someone who’s never made any real money in their life before. *That’s just like taking housing advice from a homeless person.* Forget it!

Now, although you may initially find *my offer* hard to believe, I would now like to prove to you that this “magic” cash generating formula does work, just as readily for you ... or indeed anyone who applies it.

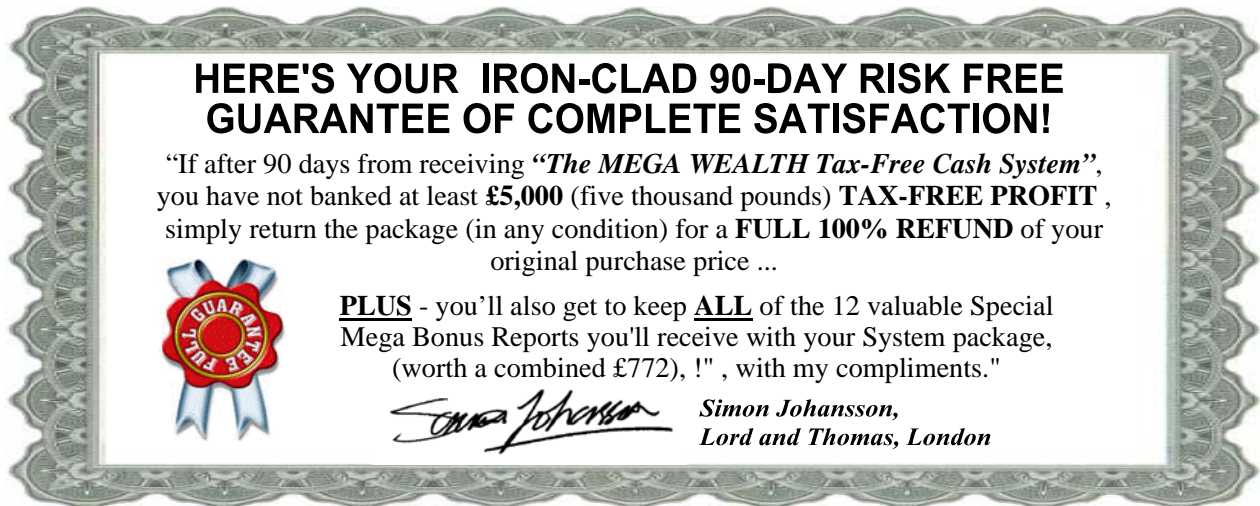

PLEASE SEE OVERLEAF FOR DETAILS OF OUR UNIQUE 90-DAY RISK-FREE MONEY BACK GUARANTEE!

I will also explain, within this letter, just how you can get hold of this package on a 90 day **RISK FREE TRIAL BASIS**. Once you receive this package and read it – put the simple steps it describes into action. These steps are so easy to follow that even a teenager would succeed.

You'll also receive 3-months **unlimited back up and support** with the package ... so expert advice will always be close at hand.

There has never been anything like it before - and probably never will be again.

**HERE'S MY ROCK-SOLID UNIQUE 90 DAY RISK-FREE
GUARANTEE OF COMPLETE SATISFACTION!**

**HERE'S YOUR IRON-CLAD 90-DAY RISK FREE
GUARANTEE OF COMPLETE SATISFACTION!**

“If after 90 days from receiving “*The MEGA WEALTH Tax-Free Cash System*”, you have not banked at least **£5,000** (five thousand pounds) **TAX-FREE PROFIT**, simply return the package (in any condition) for a **FULL 100% REFUND** of your original purchase price ...

PLUS - you'll also get to keep **ALL** of the 12 valuable Special Mega Bonus Reports you'll receive with your System package, (worth a combined £772), **!**, with my compliments.”

 **Simon Johansson,**
Lord and Thomas, London

The only reason I can make this remarkable trial offer – in which you take **NO RISK WHATSOEVER** – is because I am sure that this method of **TAX-FREE CASH** accumulation **WILL WORK FOR YOU.**

You may now be wondering **why** I have decided to share this amazing discovery with others.

To make money? **Certainly not.** I already have enough money. More than I need in fact. Secondly, many hundreds of others can do exactly what I do, without competing. So sharing the secret of my system with others will have *no effect whatsoever* on my earnings. Finally, I intend to retire soon, and it is therefore very satisfying for me personally, to be able to share my unique wealth creation process with those who are wise enough to **appreciate** and **seize** this unique opportunity.

The best is still to come! ... I will now reveal the secret of my formula ...

To put “*The MEGA WEALTH Tax-Free Cash System*” to work:

- **You do not need a lot of time.** For example, to put over £200,000 into my bank account over the past 12 months, I ‘worked’ on average just **SEVEN HOURS each week, mainly whilst watching TV.** Most people who use this system rarely work any more than I do to deposit the same amount of money – and some people deposit even more!

“Thank you for sending me “The System”. I have so far found it very simple to operate – and very, very profitable. The mega-bonus reports were also excellent!” --- **G D, Essex.**

“I would certainly say that the 50% p.a. interest on your money’ information was worth TEN TIMES the System price alone. I have already doubled my money in just 8 weeks ... even before I start to put the actual tax-free cash system in action!” --- **J J, Worcs.**

“ ... One of the most powerful money making systems I have ever encountered!” --- **L G, London.**

“I have never before earned so much money in such a short space of time, and whilst watching TV. Amazing!” --- **T G, Eire.**

- **You need only a very small amount of money.** You will require **JUST FIFTY POUNDS CAPITAL** with which to launch the System. You can start with much less, of course ... and if you have more than £50, then your income will be even **BIGGER!** In fact, you probably have more than enough in your pockets, *as you read this letter*, to enable you to start this fabulous cash creation enterprise *right now!*
- **You don't need any previous business experience, need to study or have any special knowledge.** Just read my book and apply the simple steps I explain, one by one.

Irrespective of your current situation, whether you are currently employed or unemployed, you will find this cash generating System the answer to your prayers. Best of all, no physical labour is required.

- **You don't need any luck.** “**The MEGA WEALTH Tax-Free Cash System**” certainly has nothing at all to do with printing & distributing books via Mail Order, Internet Marketing, Multi-level (MLM) or Network Marketing, Chain Letters, Money Games, the Lottery, Stocks & Shares, Horse Racing, Commodity / Futures or Forex Trading, Casino Gambling or any other similar method based on making money through ‘pie in the sky’ high risk techniques.

As I stated earlier, my System does **NOT** involves **ANY RISK WHATSOEVER** on your part. It is truly **100% RISK-FREE!**

- **You do not need an office, phone or fax to get started.** I started working this System from home with just a pen and paper. My process can be applied literally anywhere in the world. The concept is universal and totally 100% legal. I personally know of many people who have amassed great wealth by putting my System into action, in the UK, USA, Canada, Europe, Africa, Australia and Asia. *If you so wish, you can even operate the System while you are on holiday!*
- **My System has nothing to do with traditional ways of making money.** This includes door-to-door selling, telephone cold calling, marketing and advertising – or any other method where you have to meet and contact people and sell to them face-to-face. **In fact, no personal contact is ever required with anyone.**

What do you need to get started? Well, just a few minutes of your time to fill out and mail the enclosed ***Priority Reservation Form*** enclosed with this letter.

Then, when you receive the System, you'll need just a couple of hours to study it, before putting it into practice **immediately.** I guarantee that the results will far exceed your wildest expectations.

WEALTH WARNING: Be prepared for people who you thought were your friends – who turn out to be the exact opposite, once you acquire great wealth. This situation regularly occurs with lottery winners; the people who they thought were friends suddenly shun them. They just cannot bear to be around people “with money”, simply because they have no money themselves. So be prepared! You will find, however, once you do acquire wealth via “***The MEGA WEALTH Tax-Free Cash System***”, that you will start to make new friends – **REAL friends** - not people who want a ‘share’ of your money – but people who already have money.

Remember, if after 90 days from receiving “*The MEGA WEALTH Tax-Free Cash System*”, you have not banked at least **£5,000** (five thousand pounds) **TAX-FREE PROFIT**, just return the material (in any condition) for a **FULL 100% REFUND** of your original purchase price.

I must now tell you a little more about my amazing “*MEGA WEALTH Tax-Free Cash System*”:

- **This process is very simple to put into practice.** You would almost have to make a deliberate effort *not to succeed* in earning huge amounts of money, when you apply my time-proven system, starting with the lowly sum of just **£50**. *You could even start with much less if you like.*

Forget *office premises, phone lines, faxes, letterheads, advertising, staff*, and all the other “traditional” expenditure you would normally need to start up an ordinary business – because **THIS business is far from ordinary**. Just **£50, or less**, and you’ll be **in business**.

In fact, I could go as far as to say I’m 100% confident that you will NEVER have seen, witnessed, read about or encountered this type of business EVER BEFORE.

It’s amazing – and it’s the *next best thing* to owning your own Private Mint!

- **No physical effort or “hard work” is involved.** Literally anyone can do it – whether they are 12 or 90 years of age ... or even physically disabled.
- **The method that I will reveal to you within “*The MEGA WEALTH Tax-Free Cash System*” is, of course, perfectly legal, honest and ethical.** It must be the quickest legal way to make money that has ever been invented. You too will appreciate this, soon after receiving the System and putting it to work – and you’ll be *proud* of your achievements.

You can put this process to work immediately after finishing my book. *Then it’s virtually automatic*. You can earn many thousands, even tens of thousands of pounds every month.

To ensure your success, and as an owner of “*The MEGA WEALTH Tax-Free Cash System*”, you will also receive **3-months unlimited back up and support**. Rest assured that throughout your *90-day Risk Free Trial period*, expert advice will always be *close at hand*.

Before reading any further, just stop and think for a moment just what all this money could do for you and your family ...

You could ...

- **Settle your debts. Have control of a very large bank balance?**
- **Purchase a nice property for you and your family to enjoy?**
- **Own one (or more) luxury motor vehicles?**
- **Take regular holidays, when and where you wish?**
- **Have long hours for your leisure pursuits, your family and friends?**

“No personal contact ... no customers ... no advertising ... no staff ... no wages ... no office equipment and no risk. I ask you, what more could anyone want! Don’t hesitate, just GO FOR IT!” --- *B W, Sheffield*.

“ ... until purchasing your tax-free cash system, I had no idea that this type of business actually existed. What a real eye opener it has been!” --- *A S, Norfolk*.

“The business is so simple and so profitable, I can’t understand why everyone isn’t doing it!” --- *L McD, Aberdeen*.

“ ... being unemployed, my extra £1,000 per month income really has been *heaven sent*.” --- *(details withheld upon request)*.

Make no mistake. Everything is possible with my fool-proof wealth-creation System.

I'm sure that whilst reading this letter, you would have had your doubts – and that would be perfectly normal. What I have divulged so far certainly does go 'against the grain' of what you've always heard: "You need money to make money", "You can only make lots of money by hard work", "You'll get nowhere without qualifications", "We all have to work until we're 65" etc etc. **What total rubbish!** These are comments (and lies) typically raised by people who don't (nor ever will have) any money themselves.

**But as you know, there are exceptions to every rule -
and my System certainly is the exception.**

Perhaps you have tried other ways of earning a lot of money from home, none of which have worked for you. If so, all I'm asking is for you to try just one more time. Just one last time. I can assure you that this will be the very last income opportunity you'll ever need.

I can confidently state this purely because my System is the easiest way I can imagine to earn so much money, *so quickly* - and with the *bare minimum of effort* required on your part.

YOUR CURRENT FINANCIAL STANDING, OCCUPATION OR AGE IS TOTALLY IRRELEVANT WITH THIS FABULOUS BUSINESS!

The business itself is totally legal and ethical. It has been tried, tested and proven for many years by a very select group of people 'in the know'. Operated correctly, the business can certainly change your life for the better.
